CRPA News

Former Bears member, **Mike Miller** was elected to the CRPA Board of Directors as one of the High Power representatives. He is very enthusiastic about our sport and wishes to grow the high power program. Congratulations, Mike!

CRPA is looking for a new executive director. Jim Erdman, who has held that position for many years, is planning to retire. Applications for the position are being accepted. If you are interested, you should call the CRPA. Their offices are based in Fullerton, and we have heard that this is a full time position with good pay and benefits.

BEARS NEED A WEBMASTER.

We currently have a sadly neglected website which has not been updated since probably 2003. This reflects badly on the club. The website could be an amazing asset and contact point for new shooters as well as information exchange for our members. It should only take a small amount of time per month. Call Alan: 805-495-6595 or see us at the match.

*****RANGE TALK*****

Eleven shooters participated in the August match. Club members Gary Carter and Steve Caplan accompanied nine guests with varied levels of experience. Tom Temple was more than a little busy keeping things organized and calling the match. Gary took the offhand stage, edging Steve by two points, but they were even in rapid sitting, each with 96-2x. Gary's match rifle made the difference in the prone stages and he finished the day with a nice 482-10X to win the match. Some of the guests were the result of Tom's Ft. MacArthur recruiting efforts, and we hope more folks will be encouraged to come out and shoot with us.
