*******IN MEMORY*******

I received this email regarding a former Golden Bear. Maybe some of you remember him. I think I met him once with I first started shooting with the Bears.:

Hello,

My Uncle, Chol Whoe "Charlie" Kim passed away Sunday, leaving behind a wife and two daughters and three grandsons. He was a very compassionate man with a beautiful soul, full of grace with many talents: a teacher, a poet, and an exceptional marksman. He was a competitor in High Power Rifle, most active in the 1990's with the Southern California Golden Bears, and was a high master according to the card he showed me the last time we met.

I'm reaching out to those who knew my uncle from his shooting years. I'm sure with my uncles gregarious and friendly nature, he made many friends during his shooting years and it would be good to see them at his funeral. His funeral is tomorrow, Friday, November 25, 2011, 2:30 pm, in the Old North Church (red brick building) at Hollywood Hills Forest Lawn.

If you happen to know of anyone who competed or completes, particularly with the Golden Bears, please pass this on for us. Thank you.
