Next Match: 8/16/20

Our next match will be on August 16, 2020. Please arrive by 7:00 a.m. to sign in, as we will try to start the match at 8:00 a.m. If you can show up a few minutes early or stay a little afterwards, we'll appreciate your help in setting up and breaking down the range. The cost is \$15 for members and \$20 for non-members. **Juniors shoot for free when accompanied with an adult.**

Due to COVID-19, we will be implementing social distancing measures at the August match. The measures will be listed in the match reminder email that will be sent out prior to the match. Please review them prior to the match.

Club Meeting Update: 7/19/20 – M. Kosla

Because of COVID-19, the meeting was kept very short. A special thanks to Darren Rosenbaum for being the match director and to Nuran Degirmen for helping to coordinate traffic breaks at the July match. The Nosler Bullet order was sent in Monday after the meeting. If you ordered bullets, hopefully we'll see them without having to wait too long.

We used the newly pasted targets, and they helped some shooters more than others. We refreshed one of the new targets with a new full-face on the bottom and a center on the top. This worked well, and we'll do the remaining targets at a future date. This will then get the lower target raised up on the cardboard as we've done it in the past.

Results – Golden Bears Match: 7/19/20 – M. Kosla

We had six shooters competing at our July match. The conditions were great although it got a little warm for those shooting slow prone in the sun without any shade. Rob Abelson was the overall match winner with a score of 780-31, which included a 199-12 in both the rapid sitting and slow prone stages. Due to social distancing, we did not do the Lucky X.

Seen at a lunch counter at the 2018 National Matches. You don't want to be the person wearing the shirt, but the person doing the practicing. Hope to see you at the range in August.
